Fern Hill,

6rd July 1917.

Dear Mr.Hiriyanniya,

In continuation of this office D.O. letter No.1802 dated 28th May last, I am directed to invite reference to the cnclosed copy of a Note received from the Muzrai Department giving details of the annual grant paid from State Funds towards the expenses of daily worship conducted in the Sri Ranganatha Swamy temple at Srirangam and the Sri Jambukesvara Swamy temple at Jambukesvari near Trichimopoly, from which it will be seen that a sum of Rs.10/- out of the annual State grant is utilised towards the expenses of a journey to Mysore for bringing Prasadam from the former temple for -- presentation to His Highness and another sum of Rs.45/- to cover the Dakshine to the Archak and the expenses of a journey to Mysore for a similar object in the case of the latter -- temple. This has naturally the effect of diverting a portion of the annual State grant for a purpose for which it was not intended; and it appears desirable that the whole of the present annual allotment should be made use of purely for purposes of worship, an additional sum being sanctioned for meeting the Railway Fare etc. of the man bringing Prasadam to Mysore in each case.

I am accordingly to request you to kindly place the matter before the Dewan and have orders passed with his approval sanctioning an additional allotment of Rs.15/- for Railway Fare etc. for bringing Prasadam from each of the two temples in question to Mysore.

The Muzrai Superintendent may also be kindly requested to issue clear instructions to the temple authorities concerned pointing out to them that the whole of the original State grant should be utilised for purposes of daily worship

in

in the temples, only the newly sanctioned grant being utilised towards the expenses of bringing Prasadam to Mysore and that in future the Prasadam should be brought to Mysore on the occasion of the Birthday of His Highness every year.

Yours sincerely,

N. Subramanya Chetty

S. Hiriyanniya Esq., M.A., B.L.,

Dewan of Mysore,

N O T E

In the island of Srirangam are situated two ancient and important temples one Vaishnava and the other Saiva and to each of them an annual cash grant is being made from the State Funds to perform certain specified services for the welfare and prosperity of His Highness and the Royal Family.

2. Sri Ranganatha Swami Temple. This temple is intimately connected with the rise and progress of the Sri Vaishnava sect and is one of the most important centres of the religious faith in India. There is a tradition current locally that the Mysore State was in the past helping liberally in the religious and charitable activities of the place, that an Anna Chattram was being maintained and certain temple festivals conducted from the State Funds.

3. There is, however, nothing in the official records to show the ancient connection of the State with this temple, until we come to the Huzur Nagad Lavajama account of 1861 which provided for the grant of Pag.09-4-11 annually for certain services in the temple. At the Inam Settlement this grant of the value of Rs176/, was confirmed as Devadya and made payable from the Gundlupet Taluk. In 1906, it was transferred to the Bangalore Taluk for convenience.

4. The services consist of daily Archana and Neivedya at the shrines of the Swami and Amman and the lighting of a Deepa before the Swami's shrine Recently a claim has been advanced by the trustees of the temple that a portion of the grant --- one --- eighth in this instance --- should go directly to

the benefit of the temple. The matter is still under correspondence with the trustees of the temple but in the meanwhile the contribution claimed is being paid out of the grant.

5. SRI JAMBUKESWARA SWAMY TEMPLE.- Similar to the above, an annual grant of Rs. 104-11-8 is also being made to this temple. From the Inam Register it is seen that at one time this grant was as high as 500 pagodas which was from time to time decreased until it stood at 36 pagodas in 1840 which is the equivalent of the present grant. The Inam was originally, as in the first case, made payable from the Gundlupet Taluk and transferred in 1906 to the Bangalore Taluk. The services in this temple also consist of Archana and Neivedyya to both the Swamy and Amman.

6. The accompanying statements give the details of expenditure in the case of these temples. The scale of expenditure was re-adjusted in 1914 so as to provide for a margin to enable the agents to repair once a year to Mysore to present the temple Prasada to His Highness and to receive the grants in person after satisfying the Muzrai Superintendent that the services are being properly attended to.

7. Arrangement has been made at Jambukesvaram to keep a Register where a daily note of the perform-ance of the service is entered and certified to by the Temple Peishkar. The trustees of the Srirangam temple have not yet replied to a similar request made to them.
